

AISES

SAFE CAMP POLICY

AISES was established with the goal of developing Indigenous professionals and leaders in the areas of science, technology, engineering, and mathematics.

The AISES events and activities are a “Safe Camp,” meaning they are a welcoming, inclusive, supportive, and safe environment for all our AISES family members regardless of race, color, sex, religion, sexual orientation, or gender expression/identity. Safe Camp includes recognizing the AISES Code of Conduct and anyone found violating the code will be asked to leave the event or activity immediately.

Please contact any AISES staff member or board member if you have any questions.

We, the tribal chapter members, have read, understood, and accepted the duties and responsibilities set forth in the SAFE CAMP POLICY OF AISES.
