National American Indian Science and Engineering Fair (NAISEF) TEACHER STUDENT/PARENT LIABILITY AND MEDIA RELEASE FORM

The student, sponsoring teacher, and parent/guardian hereby agree that they accept the following conditions:

- 1) I shall abide by ALL fair rules and procedures (*regional, state, and Intel ISEF*) or risk disqualification.
- 2) I understand that sponsors, officials, & volunteers of the Fair are not responsible for loss/damage, or failed uploads of materials to the project. It is recommended that each student take prudent precautions to prevent any theft, loss, or damage to his/her materials and to protect the copyrights, if any, of their material.
- 4) I will make backup copies of all materials, forms, documents submitted.
- 5) I agree that should my entered project win in its category, that my video and slideshow may be displayed on the AISES website for one year.
- 6) I (the teacher) agree to sponsor the student and assume responsibility for compliance with ALL existing Intel ISEF rules for the current year.
- 7) I (the teacher) agree to conduct a safety review of the project.
- 8) I understand that the decision of Fair officials is final in the selection of winners. I shall not be entitled to the contact information of Fair officials, nor shall I attempt to contact any Fair officials concerning selection of winners. The term "Fair officials" includes, but is not limited to, any and all judges involved in the selection of winners.
- 9) I understand that any opinions expressed by judges and/or award donors are solely those of that individual or organization and do not represent the opinions of AISES.
- 10) I give permission to use appropriate information about me for public purposes (including photos, videos, or likenesses that may be used by each Fair/Challenge or sponsors of awards) for the purposes of illustrations, advertising, or publication in any manner. I also consent to the use of my name therewith. No personal identifying information will be made public such as address or birthdates, etc.

Organizations sponsoring awards at the fair may want to publicize their involvement by using photographs/information from the event, inspiring more promising students to get involved in research.

By checking this box, I give NAISEF permission to share my contact information with universities and/or colleges
